Welcome Taekwon-Do Participants and Fans!

On behalf of the Las Vegas Sports Committee, I am delighted to welcome the many participants and coaches to Las Vegas for the 2010 ITF Taekwon-Do World Cup.

In true Las Vegas style, we invite fans and athletes, from around the world, to enjoy this great competition, along with the world-class amenities and accommodations our city has to offer. We are anticipating an exciting four days for all of you to enjoy.

2010 will mark the first year Las Vegas will serve as host to this outstanding event. The ITF World Cup is the foundation for each athlete's success on the international level. Every two years this Championship determines the best Taekwon-Do athletes in the world.

The Las Vegas Sports Committee has produced numerous U.S. National and world sporting events, playing host to over 50,000 participants and over 300 World and Olympic team members. We build upon this success each time we host an event, bringing a higher quality event to you.

As you plan for the future, we hope that all of the Taekown-Do community will set its sight on Las Vegas in 2010 as we continue to *"build the future through sports."*

Sincerely,

Larry Barnson
